AN ACT

Providing for the quarantine and control of the European corn borer; imposing certain powers and duties on the Department of Agriculture; providing penalties.

Section 1. Be it enacted, &c., That in order to protect the agricultural and horticultural crops of the Commonwealth from the ravages of the European corn borer (*Pyrausta nubilalis*) accidentally established within the Commonwealth, and now seriously and destructively infesting a limited area in the State, the Department of Agriculture may make investigations of the prevalence of this insect and means whereby it may be controlled and its dissemination limited, and for these purposes may adopt and carry out such control measures as are deemed advisable, and may co-operate with the United States Department of Agriculture in the control of this pest.
