AN ACT

To amend section six hundred and thirty of the act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, gen-

eral, special or local, or any parts thereof, that are or may be inconsistent therewith," by authorizing school districts to lay water pipe lines in certain cases, and to condemn a right of way therefor.

Section 1. Be it enacted, &c., That section six hundred and thirty of the act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special or local, or any parts thereof, that are or may be inconsistent therewith," is hereby amended to read as follows:

Section 630. The board of school directors in any school district may, in the manner herein provided, enter into any contract with any person, firm, association, or corporation, for the furnishing of light, heat, or water to such school district, for any term not exceeding five years. The amount to become due and payable thereon, under such contract, may be distributed equally during the years over which the same extends, and only so much thereof as becomes due and payable in any one year need be provided for in the annual estimate of school expenses for any school year, and be certified to by any school controller: *Provided, That in any case where any school building to be supplied with water is not sufficiently near to the pipe lines of any water company to enable the school district to avail itself of such supply and another source of supply is available nearer to such school building, the board of school directors in such school district may acquire such supply, or any part thereof deemed necessary, and may lay and construct a pipe line to convey water from such source of supply to such school building, and, for such purpose, may enter upon, occupy and use any highway or public or private property which it deems necessary; and in the event that compensation therefor cannot be agreed upon with any owner of private property so acquired, occupied and used, the amount thereof shall be determined in the manner provided in sections six hundred and five to six hundred and fourteen, both inclusive, of this article.*

Section 2. The provisions of this act shall become effective immediately upon its final enactment.
