This act is not intended to be inconsistent with or to repeal any provision of any act enacted at this or any prior session of the General Assembly regulating the purchase of supplies, the ordering of printing and binding, the purchase, maintenance and use of automobiles, the method of making payments from the State Treasury for any purpose or the functioning of any administrative department, board or commission.

Section 4. No appropriation made by this act to any department, board, commission or agency of the Executive Department shall be available unless and until such department, board, commission or agency shall have complied with sections 604, 605 and 606 of The Administrative Code of 1929.

Section 5. The term "employees," as used in this act, shall include all directors, superintendents, bureau or division chiefs, assistant directors, assistant superintendents, assistant chiefs, experts, scientists, engineers, surveyors, draftsmen, accountants, secretaries, auditors, inspectors, examiners, statisticians, marshals, clerks, stenographers, bookkeepers, messengers and other assistants in any department, board or commission.

Section 6. The term "expenses" and "maintenance" shall include all printing, binding and stationery, food and forage materials and supplies, traveling expenses, training, motor vehicle supplies and repairs, freight express and cartage, postage, telephone and telegraph rentals and toll charges, newspaper advertising and notices, fuel, light, heat, power and water, repairs or reconstruction of equipment, buildings and facilities, rent of real estate and equipment, premiums on workmen's compensation insurance, premiums on policies of liability insurance covering the operation of permanently assigned automobiles, premiums on surety bonds, premiums on malpractice insurance and medical payment insurance for volunteer workers in State

Section 7. Purchase of supplies, materials and equipment shall not be deemed to be committed or encumbered until contracts covering said purchases have been entered into with the vendors.

Section 8. In addition to the amounts appropriated by this act, moneys received in payment for food and household supplies furnished to employes and other persons, except inmates by an institution, shall be paid into the General Fund and are hereby appropriated out of the General Fund to the several respective institutions for the operation and maintenance of said institutions.

Section 10. The provisions of this act shall be severable. If any provision of this act is found by a court of record to be unconstitutional and void, the remaining provisions of the act shall, nevertheless, remain valid unless the court finds the valid provisions of the law are so essentially and inseparably connected with and depend upon the void provision that it cannot be presumed the Legislature would have enacted the remaining valid provisions without the void one, or unless the court finds the remaining valid provisions standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.
