

Section 9. That part of all appropriations in this act unexpended, uncommitted and unencumbered as of June 30, 1964, shall automatically lapse as of that date.

Section 10. The provisions of this act shall be severable. If any provision of this act is found by a court of record to be unconstitutional and void, the remaining provisions of the act shall, nevertheless, remain valid unless the court finds the valid provisions of the law are so essentially and inseparably connected with and depend upon the void provision that it cannot be presumed the Legislature would have enacted the remaining valid provisions without the void one, or unless the court finds the remaining valid provisions standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.

APPROVED—The 13th day of August, A. D. 1963.

AN ACT

Making an appropriation to the Department of Health for payments to municipalities and municipality authorities under the provisions of the act of August 20, 1953 (P. L. 1217), entitled "An act providing for payments by the Commonwealth to municipalities which have expended money to acquire and construct sewage treatment plants in accordance with the Clean Streams Program and the act approved the twenty-second day of June, one thousand nine hundred thirty-seven (Pamphlet Laws 1937) and making an appropriation," and for the repair, improvements or additions of certain sewage treatment plants.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The sum of six million one hundred seventy-six thousand six hundred thirty-four dollars (\$6,176,634), or as much thereof

as may be necessary, is hereby specifically appropriated to the Department of Health for payments to municipalities and municipality authorities toward the cost of maintaining, repairing, replacing and other expenses relating to sewage treatment plants an amount not to exceed two per centum of the cost (1) for the acquisition and construction of the sewage treatment plants by the municipalities and municipality authorities to control stream pollution expended by the municipalities and municipality authorities from the effective date of the act of June 22, 1937 (P. L. 1987), up to and including the thirty-first day of December of the year preceding the year in which the payment is made, as ascertained by the Secretary of Health and approved by the Governor as provided by the act of August 20, 1953 (P. L. 1217), entitled "An act providing for payments by the Commonwealth to municipalities which have expended money to acquire and construct sewage treatment plants in accordance with the Clean Streams Program and the act, approved the twenty-second day of June, one thousand nine hundred thirty-seven (Pamphlet Laws 1987), and making an appropriation," and (2) for the repair, improvements or additions since 1937 of plants constructed prior to that date.

Section 2. Within the meaning of this act, the word "construction" shall include, in addition to the construction of new treatment works, pumping stations and intercepting sewers which are an integral part of the treatment facilities, (including those intercepting sewers of municipalities which collect at least fifty per cent of the sewage of the municipality which enters a public sewage system in the municipality and discharge same into the collection system of the municipality which has constructed the main sewage plant), the altering, improving or adding to, of existing treatment works, pumping stations and intercepting sewers which are essential to the sewage treatment plant system.

Section 3. If any section, sentence, clause or part of this act is for any reason held to be unconstitutional, the decision of the court shall not affect or impair any of the remaining provisions of this act. It is hereby declared as the legislative intent that this act would have been adopted had such unconstitutional sentence, section, clause or part thereof not been included herein.

Section 4. This act shall take effect July 1, 1963.

APPROVED—The 14th day of August, A. D. 1963, in the amount of five million five hundred four thousand nine hundred ninety-one dollars (\$5,504,991). I withhold my approval from the remainder for the reason that there remains available an unencumbered balance of a continuing appropriation for the same purpose as this appropriation in the amount of six hundred seventy-one thousand six hundred forty-three dollars (\$671,643). The available balance of the continuing appropriation when added to the amount I am approving will total six million one hundred seventy-six thousand six hundred thirty-four dollars (\$6,176,634), the original amount in the bill.
