No. 1981-57A

AN ACT

SB 618

Providing for the reduction of General Fund appropriations for the fiscal year 1981-1982; and directing the Governor to take appropriate action to balance the budget.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. (a) The Federal Economic Recovery Program recently enacted and embodied in the Economic Recovery Act of 1981 (Public Law 97-34) and the Omnibus Reconciliation Act of 1981 (Public Law 97-35) will cause a serious shortfall in Commonwealth revenues as well as a substantial reduction in Federal funds available for Commonwealth programs. As a result, the 1981-1982 fiscal year General Fund budget of the Commonwealth will be seriously out of balance unless immediate action is taken to adjust the 1981-1982 appropriations and expenditures in conformity with available revenues.

(b) To reduce the impact of the reductions on any particular program, a general reduction in appropriations must be made.

Section 2. Each and every 1981-1982 fiscal year General Fund appropriation, except the appropriations to the Department of Education for payment of subsidies to school districts on account of basic instructional costs, for the purpose of protecting school districts from receiving less basic instructional subsidy money than was received during the fiscal period 1980-1981, for payments for student supplies for nonpublic schools, for payments on account of vocational education programs, for payments to school districts and intermediate units on account of pupil transportation; for payments on account of nonpublic school transportation; for payments to school districts, intermediate units and approved private schools on account of special education of exceptional children and for grants to public libraries for the development and improvement of a Statewide system of libraries and library services and except appropriations to the Department of Public Welfare for county administration of the public assistance and medical assistance programs and for cash assistance grants, is hereby reduced by 1% of the amount of money previously appropriated in the act of July 1, 1981 (No.5A), known as the "General Appropriation Act of 1981," or any other acts making preferred appropriations for the 1981-1982 fiscal year.

Section 3. The provisions of this act shall supersede all other acts or parts of acts which require or mandate payments to school districts, persons, or other entities. Each State agency shall take all steps required to reduce operations to the level necessitated by the provisions of this section.

Section 4. The General Assembly directs the Governor to take all action necessary to balance the 1981-1982 General Fund budget including, but not limited to, the revision of the official revenue estimate and the abatement of other appropriations.

Section 5. This act shall take effect immediately.

APPROVED—The 21st day of December, A. D. 1981.
