To an act, entitled "An Act to enable the governor to incorporate a company to make an artificial road from the court house, in the borough of Lewistown, to Alexander Reed's, in Kishacoquillas valley," and for other purposes.

Change of loca-
tion.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That the president and managers of the Lewistown and Kishacoquillas turnpike road company, be and are hereby authorized and empowered to change the location of said road from time to time, as they may deem

advisable, in such places where it may be necessary to avoid hills and other obstacles, so as to place the road on a more level and suitable location than at present, in such manner so as to do the least injury to the land through which it passes: *Provided*, That before entering upon the lands of private individuals, for the purpose of locating said road, and constructing the same, the said president, managers and company, shall first pay or secure to be paid for the ground and materials to the owners thereof, such reasonable damages as may, upon view, be assessed by the commissioners of Mifflin county, for the time being, who are hereby appointed a board of appraisers for that purpose.

SECTION 2. The said president and managers be, and are hereby empowered to remove the stone and other materials from such parts of the present road as are intended to be supplied and changed under the foregoing section, for the purpose of constructing and repairing such new portions of said road, and for other purposes; and the said company shall continue to enjoy the same rights and privileges as heretofore.

SECTION 3. During the construction of such new portions of said road, it shall and may be lawful for the said president and managers of said road to take tolls on the old road as heretofore, and when the same are completed, then, upon both the old and new parts, according to the present rates; and such parts of the old road as may be abandoned by the said president and managers, shall be vacated, and the owners of lands adjoining such abandoned parts of said road, be and are hereby authorized to fence up and inclose the same; and it shall not be lawful for any person to travel on such abandoned parts of said road, so as to avoid the payment of tolls on said road, and every person so doing, shall be liable to the same penalties as offenders under existing laws, are liable for defrauding turnpike companies, and avoiding the payment of tolls thereon.

SECTION 4. That from and after the passage of this act, the managers of the Chambersburg and Bedford turnpike road company, are hereby required to render an account, verified by their respective oaths or affirmations, of the number of days they, or any of them shall have been employed in each year, in attending to the business or concerns of the said company; and for each day so employed, they shall be each entitled to receive, as now provided by law, one dollar and fifty cents, and no more.
