No. 19.

RESOLUTION

Relative to the tariff.

WHEREAS, The present tariff promises to answer the purposes of *Preamble.*
revenue, and also to yield to American industry the encouragement
necessary to the development of the great resources of our country :
And whereas, Permanency in our revenue laws is indispensably necessary
to the protection of the capital and labor embarked in manufacturing
and agricultural operations, under the sanction of those laws, and can
alone insure and advance the prosperity of the various great interests
which, combined, constitute the wealth of the nation : *And whereas*,
A bill is now pending in the congress of the United States, the operation
of which would affect, injuriously, the important staple productions of
this commonwealth : Therefore,

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That our
senators in congress be instructed, and our representatives requested, to
oppose any change in the present tariff, which might prove injurious to
the manufacturing and agricultural interests of this commonwealth,
sternly to resist any reduction in the present duties on iron, coal and
wool, and to omit no effort to sustain all the great interests of the nation,
calculated to foster and promote American industry.

Resolved, That a copy of the resolution be forwarded to each of our
members in the senate and congress, with the yeas and nays attached.

JAMES ROSS SNOWDEN,
Speaker of the House of Representatives.

WILLIAM BIGLER,
Speaker of the Senate.
