RESOLUTION

Authorizing the re-settlement of the accounts of Elijah N. Doane, collector at Northumberland.

WHEREAS, Suits have been brought against the sureties on the bonds of Elijah N. Doane, who held at the same time the office of collector of canal tolls at Northumberland and collector of tolls at the bridge at the same place: *And whereas*, It is alleged, that in the settlement of said collector's accounts by the auditor general, errors have occurred in blending together the receipts and payments applicable to the different tolls, which, if suffered to remain uncorrected, will oblige the sureties in one bond to pay money which ought to be paid by the sureties of the other: *And whereas*, The time allowed by law for an appeal from the settlement has expired: Therefore,
