

No. 2.

SUPPLEMENT

To an act authorizing the incorporating the Easton water company, passed March 24, 1817.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That in order to complete the object of said company, the capital stock thereof is hereby increased to eight hundred shares, and the president and managers thereof are authorized to sell the four hundred shares of increase hereby authorized, to such persons or company as may purchase or subscribe for the same, so that the rate of each share so sold or subscribed for, shall not be less than thirty-five dollars; and all shares of stock in said company paid in, shall be considered as equal in all respects, notwithstanding the difference in the original price thereof; and said stock shall be called in by instalments, and the work of said company shall be prosecuted to completion, and the dividends shall be declared according to the provisions of the act to which this is supplementary.

Capital stock increased.

How sold.

Work to be completed and dividends.

SECTION 2. That said company is hereby authorized to construct a wing wall and dam in the river Delaware, at any point north of the confluence of said river and the Bushkill creek, and the northern line of the borough of Easton, from the western shore of said river to the western shore of a small island called Easton island, a distance of about one hundred feet; and to construct such other works, reservoirs, connecting pipes, conduits and machinery, in or adjacent to said river, and in or adjacent to said borough, under the provisions of the act to which this is a supplement, as may be necessary for pumping, conducting, retaining and supplying a sufficiency of water to the inhabitants of said borough: *Provided,* That the constructions authorized by this act shall be so made as not in any way to obstruct or impair the navigation of said river. Nor shall any water be withdrawn from said river for the purpose of creating water power for propelling machinery for manufacturing purposes: *And provided also,* That said company shall not withdraw any water from the river Delaware, excepting for the purposes mentioned in this act.

Where to construct wing wall and dam.

Proviso.

Not to obstruct or impair navigation of river.

Limit of the quantity of water withdrawn.

SECTION 3. That the second section of this act shall not take effect until the legislature of New Jersey shall pass a law ratifying and approving of the same.

To be approved by Legislature of New Jersey.

FINDLEY PATTERSON,
Speaker of the House of Representatives.

DANIEL L. SHERWOOD,
Speaker of the Senate.

APPROVED—The fifteenth day of January, one thousand eight hundred and forty-six.

FRS. R. SHUNK.
