Section 3. Whenever any project for which funds shall be allocated for any State-aided university, medical college or manual training school, agricultural or industrial school is leased by the Authority to the Commonwealth of Pennsylvania, the Department of Public Instruction shall sublease such project to the university or medical college or manual training school, agricultural or industrial school receiving State-aid for which said project has been undertaken for the same aggregate rentals as the Authority's lease of said project to the department, upon terms and conditions as shall be agreed to. An agreement to sublease shall be executed by the Department of Public Instruction prior to the commencement or design and/or construction by the Authority.

The provisions of this section shall not apply to any project on which any substantial engineering or design planning had been completed prior to August 14, 1963, or upon which actual construction of previously approved projects had been started on or before August 14, 1965.

Section 4. This act shall take effect immediately.

APPROVED—The 21st day of January, A. D. 1966.

No. 524

AN ACT

SB 1122

Amending the act of March 31, 1949 (P. L. 372), entitled "An act to promote the welfare of the people of the Commonwealth; creating The General State Authority as a body corporate and politic with power to construct, improve, equip, furnish, and operate projects, and to lease the same, and to fix fees, rentals, and charges for the use thereof; authorizing and regulating the issuance of bonds for said Authority, and providing for the payment of such bonds, and the rights of the holders thereof; and to enter into agreements with the Government of the United States or any Federal agency; and authorizing the Department of Property and Supplies to grant, assign, convey, or lease to the Authority lands of the Commonwealth and interests therein, and to acquire lands therefor; granting the right of eminent domain; empowering The General State Authority to sell and convey projects and property to the Commonwealth; and providing that no debt of the Commonwealth shall be incurred in the exercise of any of the powers granted by this act," increasing the borrowing capacity of the Authority and allocating the proceeds of such borrowing capacity.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Clause (i) of section 4, act of March 31, 1949 (P. L. 372), known as "The General State Authority Act of one thousand nine hundred forty-nine,"¹ amended August 14, 1963 (P. L. 1032), is amended to read:

Section 4. Purposes and Powers; General.—The Authority is created for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring and operating sewers, sewer systems, and sewage treatment works for State institutions of every kind and character (heretofore or hereafter constructed), public buildings for the use of the Commonwealth, an official residence in the City of Harrisburg which shall thereafter be used as the official residence of the Governor of the Commonwealth, municipal exhibition halls, State arsenals, armories, and military reserves, State airports and landing fields, State institutions of every kind and character (heretofore or hereafter constructed), additions and improvements to land grant colleges, State colleges, universities and medical colleges, manual training schools, agricultural and industrial schools receiving State aid, school buildings and the furnishings and equipment thereof for the use of the public schools, State highways, and bridges, toll bridges, tunnels, and traffic circles on State highways, swimming pools, reservoirs and lakes, marinas, marine terminals, port improvements, low head dams, improvements to river embankments, desilting dams, impounding basins, flood control projects, and the purchase of lands for rehabilitation purposes in connection with State institutions and for use of State colleges (any and all the foregoing being herein called "projects"): Provided, however, That the purpose and intent of this act being to benefit the people of the Commonwealth by, among other things, increasing their commerce and prosperity, and not to unnecessarily burden or interfere with existing business by the establishment of competitive enterprises, none of the powers granted hereby (other than for the construction, improvement and maintenance of bridges) shall be exercised in the construction, improvement, maintenance, extension or operation of any project or projects which, in whole or in part, shall duplicate or compete with existing enterprises serving substantially the same purposes. Whenever any bill authorizing the Authority to undertake specific projects becomes law, the Authority shall not undertake any project which at any time was included in such bill but which was not included in the bill as finally passed. The Au-

¹"clause (i)" in original.

thority is hereby granted and shall have and may exercise all powers necessary or convenient for the carrying out of the aforesaid purposes, including, but without limiting the generality of the foregoing, the following rights and powers:

* * *

(i) To borrow money, make and issue negotiable notes, bonds, and other evidences of indebtedness or obligations (herein called "bonds") of the Authority, not exceeding [one billion ninety-two million seven hundred thirty-four thousand six hundred dollars (\$1,092,734,600)] one billion four hundred fifty-four million, three hundred sixty-two thousand, nine hundred and forty-four dollars (\$1,454,362,944) in the aggregate, and in addition thereto, such bonds the Authority may, from time to time, determine to issue for the purpose of refunding bonds previously issued by the Authority, and to secure the payment of all bonds, or any part thereof, by pledge or deed of trust of all or any of its revenues, rentals, and receipts, and to make such agreements with the purchasers or holders of such bonds or with others in connection with any such bonds, whether issued or to be issued, as the Authority shall deem advisable, and in general to provide for the security for said bonds and the rights of the holders thereof.

The Authority shall on or before the first day of March in each odd numbered years, submit to the General Assembly its construction report and estimate of cost thereof for the coming biennium.

AN ACT

HB 972

Amending the act of April 29, 1959 (P. L. 58), entitled "An act consolidating and revising the Vehicle Code, the Tractor Code, the Motor Vehicle Financial Responsibility Act and other acts relating to the ownership, possession and use of vehicles and tractors," prescribing required brake linings, providing penalties for violations, prescribing the procedure and fees for approval and registration of brake linings and authorizing the issuance of a fixed number of special permits for oversized vehicles transporting certain helicopters.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Subsections (d) and (e) of section 716 and subsections (a), (b), (f) and (g) of section 811, act of April 29, 1959 (P. L. 58), known as "The Vehicle Code," are amended to read:

Section 716. Lighting Equipment.—

* * *

(d) The fee for approval and registration of vacuum or pressure hose for brake systems or of brake linings shall be twenty-five dollars (\$25.00) for each type approved.
