Section 14. The certificate of physical fitness required by this act shall state that the minor has been thoroughly examined by the said examining physician at the time of the application for an employment certificate, and is physically qualified for the employment specified in the statement of the prospective employer. In any case where the said physician shall deem it advisable, he may issue a certificate of physical fitness for a limited time; at the expiration of which time the holder shall again appear, and submit to a new examination before being permitted to continue at work. [Provided, however, That] Except as hereinafter provided, in a school district of the first, second, or third class the physical examination of a minor provided for by this act shall be made by a

physician employed by the board of school directors of the school district in which such minor resides, and in a district of the fourth class by a physician appointed by the State Department of Health [that] and the certificate of physical fitness provided for by this act shall be signed by said physician, and [that] no fee or other compensation for such service shall be required to be paid by such minor or by his parent or guardian: Provided, however, That any minor may, at his own expense, have the physical examination provided for by this act made and the certificate of physical fitness signed by his family physician, as defined in section 1401 of the Public School Code of 1949, and its amendments.
