and making the assessment, or filing the lien therefor, or the proceedings in filing of any municipal claim or lien therefor, are for any reason defective or invalid, or where, by reason of the fact that the interest of the person or corporation named in the lien as owner or reputed owners is an estate in the minerals only, whether as tenant or as owner thereof, it might or could be contended that the land described in the lien is not bound thereby, and especially in the case the lien has not been filed within the time prescribed by law, such ordinance and all proceedings authorizing the improvement and making the assessment therefor, and any municipal claim or lien filed therefor, are hereby validated and made binding for the amount justly and equitably due and payable on account of such grading, paving, curbing and draining: Providing, That this act shall not apply to any proceeding, suit or lien whereon a final order or judgment of any court of record has already been made or entered: And provided further, That this act shall not validate any lien against any property which has been conveyed to a bona fide purchaser thereof subsequent to the expiration of the period prescribed by law for the filing of such liens and prior to the time of the filing thereof, or give the lien thus filed priority over any bona fide lien or liens then existing against the property.
