Section 1. Be it enacted, &c., That section eight hundred and one of the act, approved the twenty-fourth day of June, one thousand nine hundred and thirty-one (Pamphlet Laws, one thousand two hundred six), entitled "An act concerning townships of the first class; amending, revising, consolidating, and changing the law relating thereto," is hereby amended to read as follows:

Section 801. *Fidelity Bond.*—The treasurer of each township shall give a *fidelity and not a surety bond to the Commonwealth* in a sum to be prescribed by ordinance or resolution and at least equal to fifty per centum of the probable amount of the annual township tax. Such bond shall be subscribed by sureties approved by the township commissioners, or by a surety company or companies duly authorized to do business in this Commonwealth. The bond given by the treasurer shall be conditioned for the faithful performance of the duties of his office, for a just account of all moneys belonging to the township funds that may come into his hands from taxation or otherwise, for the payment over thereof only in the manner prescribed by law, for the delivery to his successor in office of all papers, books, documents, and other things held in right of his office, [and] for the payment to such successor of any balance in money remaining in his hands or charged against him in the settlement of his accounts, *and that, as tax collector of*

*township, county, poor, and school taxes, he shall account for and pay over all moneys received by him as taxes, and account for all tax items contained in the duplicates delivered to him during his term of office which remain uncollected. The township treasurer and his sureties shall be discharged from further liability on any bond as tax collector as soon as all tax items, contained in the duplicates, are either—(1) collected and paid over; or (2) set forth in schedules filed with the tax authorities; or (3) returned to the county commissioners for sale by the county treasurer; or (4) in the case of occupation, poll, and per capita taxes, a record of those which remain uncollected is filed with the tax authority, together with the oath of the tax collector that he has made a diligent effort to collect such taxes. The township treasurer shall be required to give but one bond, which shall include his duties as township treasurer and collector of township, county, school, and poor taxes, and shall cover the full term of his office. Should the township, county, school district or poor district be of the opinion at any time, that the bond given is not sufficient, additional security may be required to be given. The treasurer shall not, in any event, be required to give bond or bonds aggregating an amount in excess of the tax to be collected by him. The bond or bonds given by the township treasurer shall be for the use of the township, the county, the school district, and the poor district. Said bond shall be filed with the township commissioners.*
