No. 516

AN ACT

Dedicating and setting aside certain lands in Lackawanna County as a public park and pleasure-ground; and imposing certain powers and duties in connection therewith on the Department of Forests and Waters.

Section 1. Be it enacted, &c., That the Commonwealth of Pennsylvania hereby dedicates to the public, for use as a park and pleasure-ground for the benefit and enjoyment of the people, an area of land of approximately two thousand acres, in Jefferson Township, Lackawanna County, known as the Moosic Lake area, the boundaries of which shall be defined by the Department of Forests and Waters.

The said park shall be called and known as the "Moosic Lake State Park."

Section 2. The Department of Forests and Waters of the Commonwealth shall have full control and supervision of the public lands and control over other lands over which it may hereafter obtain control under the

Under supervision of the Department of Forests and Waters.

provisions of this act, in accordance with control rights granted within the area hereinbefore dedicated as a public park and pleasure-ground, with power to adopt and carry into effect plans for the improvement, preservation, and use thereof. The department may enforce such rules and regulations not inconsistent with the laws of this Commonwealth, including provisions for the use and operation of motor vehicles therein as it may make for the protection of life and property, the maintenance of good order, the protection and improvement of the park, and the carrying into effect of the full and proper use of said property as a State park and pleasure-ground.

Authorized to accept land, property or money donated for the park.

Section 3. The Department of Forests and Waters is hereby authorized to accept, in the name of the Commonwealth, any land, property or money given or donated by any person, copartnership, association or corporation for use in extending the boundaries of said park or furthering its value for the purpose for which it is hereby dedicated.

Acquisition of control rights.

Section 4. The Department of Forests and Waters is further authorized and empowered to acquire by gift or for nominal consideration, from persons owning property within the limits of the territory hereinbefore dedicated and set apart as a public park, and from others, control rights or the right to limit and prescribe the uses to which such privately owned property may hereafter be put by the owners to the extent which the owners thereof shall be willing to grant; but no such control rights shall be accepted unless they include at least a surrender of control in the following particulars: (a) The right to sell or service travelers, tourists, recreationists, campers or seasonable dwellers; (b) the right to prohibit or limit the placing on such properties of billboards or any form of outdoor advertising except such as advertises merchandise or services sold at roadside inns, hotels, stores, and service stations therein; and (c) the right to remove or enforce the removal of abandoned or dilapidated and neglected buildings which have become nuisances. All deeds, conveyances or agreements of any kind secured by or entered into by the department for the purpose of carrying out the provisions of this section shall be subject to the approval of the Department of Justice.

Approval of deeds.

Operation of the park.

Section 5. The Department of Forests and Waters may also, with the approval of the Governor, make and carry out such plans for the profitable utilization of the dead and down timber and the mineral resources, the leasing of sites for camps, cabins, bungalows, hotels, proper buildings, for the accommodation of visitors to and travelers through the park, bathing beaches, bathing houses, boat houses, garages, gasoline and service

stations, and refreshment stands or places of such type of construction as the department shall approve, for periods of not more than twenty years, and such other operations for the profitable employment of such lands as may not be inconsistent with their full use as a State park or pleasure-ground or their full enjoyment by the people, and as to the Department of Forests and Waters seems to be to the best interests of the Commonwealth. Any moneys derived therefrom shall be paid into the State Treasury through the Department of Revenue and credited to the State Forests and Waters Fund.

Section 6. All extension and improvement of highways within the boundaries of said park shall be under and in harmony with the general plan of improvement of said park, and only after consultation with the Department of Forests and Waters.
