AN ACT

To further amend section 2561 of the act, approved the tenth day of March, one thousand nine hundred forty-nine (Pamphlet Laws 30) entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," by including additional items in "overhead cost per pupil" for purpose of reimbursement between school districts.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Section 2561 of the act, approved the tenth day of March, one thousand nine hundred forty-nine (Pamphlet Laws 30), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," as amended in part by the act, approved the fourteenth day of May, one thousand nine hundred forty-nine (Pamphlet Laws 1365), is hereby further amended to read as follows:

Section 2561. Tuition Charges for Pupils of Other Districts.—A school district or vocational school district receiving elementary or high school pupils or vocational or other extension education pupils who are residents of another school district or another vocational school district shall compute the tuition charges as follows:

(1) General. Add the salaries of secretaries, treasurers, auditors, superintendents, the cost of library books, the salaries of librarians, lectures, health, medical, nurse and dental services, the wages of janitors, and other comparable employes, the cost of fuel, water, light and power, *telephone rentals and tolls*, the cost of maintenance of school plant, including ordinary repairs, but not including alterations or remodeling, *the cost of care of school grounds, premiums on fire and workmen's compensation insurance*, the cost of attendance at teachers' institutes, and the district's contribu-

tion to the retirement fund on behalf of the above listed employes, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's public schools. The quotient so obtained shall be designated the "overhead cost per pupil."

(2) Elementary Tuition Charge. Add the salaries of supervisors, principals, clerks, assistants and teachers employed in the receiving district's elementary schools, the district's contribution to the retirement fund on behalf of teachers, supervisors and principals employed in the district's elementary schools, the cost of textbooks, and supplies of the second class used in the district's elementary schools, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's elementary schools. The quotient so obtained shall be designated as the "instruction cost per elementary pupil." Add to the instruction cost per elementary pupil, the overhead cost per pupil and a rental charge of eight dollars (\$8) per pupil for the use of the receiving district's school plant. Deduct from the amount so obtained the per pupil State appropriation on account of elementary school teaching units. The cost so determined shall be the "tuition charge per elementary pupil."

(3) High School Tuition Charge. Add the salaries of supervisors, principals, clerks, assistants and teachers employed in the receiving district's high schools, the district's contribution to the retirement fund on behalf of teachers, supervisors and principals employed in the district's high schools, the cost of textbooks and supplies of the second class used in the district's high schools, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's high schools. The quotient so obtained shall be designated as the "instruction cost per high school pupil." Add to the instruction cost per high school pupil the overhead cost per pupil and a rental charge of ten dollars (\$10) per pupil for the use of the receiving district's school plant. Deduct from the amount so obtained the per pupil State appropriation on account of high school teaching units. The cost so determined shall be the "tuition charge per high school pupil."

(4) Vocational or Other Extension Tuition Charge. Add the salaries of administrators, supervisors, instructors, clerks and custodians specifically employed in the school district's or vocational school district's annual program of Vocational or other Extension Education, the cost of textbooks, and supplies of the second class

issued for the program. A charge of five cents * (.05) per pupil hour of instruction for the district overhead and plant usage. Subtract from the sum so obtained the amount of State appropriation applicable. The remainder shall be designated as the "district cost for vocational or other extension education." Determine the total pupil hours of instruction, divide the "district cost for vocational or other extension education" by the total pupil hours of instruction. The cost so determined shall be the "vocational or other extension tuition charge per pupil hour of instruction."
