Section 1. The act, approved the tenth day of March, one thousand nine hundred forty-nine (Pamphlet Laws 30), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," is hereby amended by adding, after section 1072 thereof, a new section to read as follows:

Act of March 10, 1949, P. L. 30, amended by adding, after section 1072 thereof, a new section 1072.1.

Section 1072.1. Discontinuance of Office in Districts Third Class.—The board of school directors of any district of the third class, now or hereafter employing a district superintendent, may, at the end of the term of the district superintendent then in office, by a vote of the majority of all of the members of the board, discontinue the office in the district, subject to the approval of the Superintendent of Public Instruction. In all cases, the action shall be taken and notice thereof given by registered mail to the district superintendent not less than sixty days before the date fixed for the election of the district superintendent. Upon the discontinuance of the office of district superintendent, the directors of the district shall become eligible to participate in the election of a county superintendent, and the schools of the district shall become subject to the supervision of the county superintendent.

Section 2. Section 1073 of said act, as amended by the act, approved the twenty-sixth day of May, one thousand nine hundred forty-nine (Pamphlet Laws 1873), is hereby further amended to read as follows:

Section 1073, said act, as amended by act of May 26, 1949, P. L. 1873, further amended.

Section 1073. Manner of Election; Change of Class of District.—The boards of school directors of each district of the second or third class, electing a district superintendent, shall meet in convention at its regular place of meeting, on the second Tuesday of April, one thousand nine hundred fifty (1950), and every four years thereafter, at an hour previously fixed by the board. The secretary shall mail to each member thereof, at least five days beforehand, a notice of the time, place

and purpose of such convention. Such convention shall, in the same manner as a county superintendent is elected and certified, elect and certify a properly qualified district superintendent, to serve for four years from the first Monday of July next following his election. Whenever the term of office of any district superintendent expires, he shall continue in office for a further term of four years unless at least sixty (60) days before the date fixed for the election of such a superintendent, (1) four or more members of a board of school directors in a second class district or three or more members of a board of school directors in a third class district employing such officer shall forward, by registered mail, a notice to the district superintendent that another or other candidates will be considered for the office, or (2) notice is given of the discontinuance of the office by action of the board of school directors in a third class district.

The term of office or commission of a district superintendent or assistant district superintendent shall not be shortened by reason of the fact that the district in which he serves shall, because of loss of population, enter a class of districts for which there is no provision for a district superintendent or assistant district superintendent, and such superintendent or assistant district superintendent shall continue to serve such district for the term of his office or commission.

APPROVED—The 17th day of August, A. D. 1951.
