(5) Any member, who has been admitted to membership in this fund, who has become totally and permanently disabled after fifteen years of service, shall be entitled to said pension. Any member having served less than fifteen years, who has become totally and permanently disabled by reason of injury sustained in the actual performance of duty, shall be entitled to pension payments in amounts which, together with any payments he receives under The Pennsylvania Workmen's Compensation Act or The Pennsylvania Occupational Disease Act will equal fifty per cent of his final salary, provided such combined payments shall be not less than two hundred dollars (\$200) per month and not more than two hundred fifty dollars (\$250) per month. Such service shall include service in the armed forces of the United States in time of war, or active service in the Pennsylvania State Militia when it has been mobilized for internal policy duty.
