The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Citation of Act.—This act shall be cited as the “Vietnam Conflict Veterans’ Compensation Act.”

Section 2. Definitions.—As used in this act, the word “veteran” includes any member of the armed forces of the United States eligible to receive the Vietnam Service Medal, but does not include (1) any individual at any time during such periods or thereafter separated from such forces under other than honorable conditions; (2) any individual who has renounced his United State citizenship.

The proof of such residence shall be either the official records of the United States, or such other evidence of bona fide residence as may be deemed sufficient by the Adjutant General of Pennsylvania.

Section 3. Computation of Compensation.—Compensation shall be payable under this act only to any veteran who was a legal resident of this Commonwealth. fined for the award of the Vietnam Service Medal. The compensation of a veteran who died in the active armed forces duty in the Vietnam theatre of operations or as a result of disease, wound, or injury incurred in the Vietnam theatre of operations shall be one thousand dollars (\$1,000). No veteran, except a veteran who died in active military, naval or air service during the period set forth in section 2 of this act shall be entitled to receive compensation under this act in a sum to exceed seven hundred fifty dollars (\$750).

Section 4. Application for Compensation.—Applications for compensation shall be made to the Adjutant General on forms and in the manner as he shall prescribe.

All applications shall be made (1) personally by the veteran, or (2) in case of death or mental incompetency preventing the making of a personal application, then by such representative of the veteran as the Adjutant General shall by regulation prescribe. An application made by a representative other than one authorized by such regulation shall be void.

The Adjutant General shall not accept or consider any application filed or mailed after two years beyond the date which Congress establishes as the end of the period of service for which a person shall be eligible to receive the Vietnam Service Medal.

Section 5. Persons to Whom Payments Shall be Made in Case of Death or Mental Incapacity.—If, prior to the date of distribution of compensation under the provisions of this act, a veteran entitled thereto dies or is determined to be legally dead by the Federal authorities under any act for the payment of Federal benefits or becomes mentally incapable of receiving his or her compensation, payment shall be made by the Adjutant General without proceedings in this Commonwealth.

(1) In case of mental incapacity, to the guardian or committee, if any, of the veteran, or in case of a veteran who is hospitalized in a State, county or Federal institution for mental or nervous diseases upon order of the Adjutant General, without regard to the residence of the veteran, to the person or persons who would be entitled thereto under the provisions of this act, if the veteran were deceased and in the absence of any such claimant, to the superintendent, manager or person in charge of such State, county or Federal institution to be expended for the clothing and incidental needs of said veteran. No part of the compensation shall be paid to any county or State institution for the maintenance of the veterans. A statement from the manager, superintendent or person in charge of any State, county or Federal institution, wherein the veteran is a patient, shall be admitted in evidence to determine the mental condition of the veteran. The statement shall set forth that the veteran due to his weakness of mind is likely to dissipate such funds as may be due him under the provisions of this act and is apt to become the victim of designing persons.

(2) In the case of death, to the following persons in the order named: surviving unremarried widow if the widow was living with

the veteran at the time of his death, or if not living with the veteran at the time of his death if she establish to the satisfaction of the Adjutant General that the living apart was not due to her wilful act and that she was actually dependent upon the veteran at the time of his death or at any time thereafter and before the final payment is made by the designated authorities, or surviving minor child or surviving minor children, share, and share alike or surviving mother and/or surviving father. The term "child" shall include an adopted child. The terms "mother" and "father" include mothers and fathers through adoption and persons who have for a period of not less than one year acted in the capacity of a foster parent to the veteran immediately prior to his or her having attained the age of eighteen years.

Section 6. Applicant to Designate Beneficiaries.—Every person making application for compensation, as herein provided, shall set forth in his or her application the names and addresses of all persons who under this act would be entitled to receive the same in the event of the death of the applicant, and if the applicant dies before the payment of the compensation, then the application shall be deemed to inure to the benefit of the person or persons next entitled thereto, and payments shall be made to such person or persons upon proof of identity satisfactory to the Adjutant General. If all persons designated herein as entitled to compensation die before payment thereof, the right to the compensation shall cease and determine. Application for compensation, made in behalf of minor children, shall be made by the duly appointed guardian of such children or by any person who stands in loco parentis to the minor children, and payments shall be made to the guardians or persons.

Any assignment or loan made in violation of the provisions of this section shall be held void. Assignments to any group or organization of veterans, incorporated or unincorporated, or to any nonprofit corporation heretofore formed, solely for aiding disabled or incapacitated veterans and assignments to the State Veterans' Commission shall be valid. The State Veterans' Commission is hereby authorized to accept the assignments which shall be treated as confidential, and the funds realized from them shall be expended by the commission solely for the aid of needy veterans and their families.
