

No. 2014-193

AN ACT

HB 46

Amending the act of March 4, 1971 (P.L.6, No.2), entitled "An act relating to tax reform and State taxation by codifying and enumerating certain subjects of taxation and imposing taxes thereon; providing procedures for the payment, collection, administration and enforcement thereof; providing for tax credits in certain cases; conferring powers and imposing duties upon the Department of Revenue, certain employers, fiduciaries, individuals, persons, corporations and other entities; prescribing crimes, offenses and penalties," codifying the act of July 2, 2006 (P.L.292, No.65), known as the Organ and Bone Marrow Donor Act; further providing for applicability; and making a related repeal.

The General Assembly finds as follows:

(1) Each year an estimated 137,000 Americans contract leukemia, lymphoma anemia or other fatal blood diseases.

(2) If a matched bone marrow donor can be found, many of these victims can be cured.

(3) There is now a National Marrow Donor Program, and the United States is working with 30 other countries to establish a worldwide registry.

(4) Marrow donation does not involve considerable risk to the donor.

(5) There are approximately 110,500 patients in the United States and approximately 8,000 patients in this Commonwealth awaiting lifesaving organ transplants.

(6) Many patients awaiting organ transplants could benefit from living organ donation, including approximately 93,000 kidney patients, 16,900 liver patients and 2,000 lung patients.

(7) Of the more than 1,700 organ transplants performed in this Commonwealth in 2010, approximately 300 were from living donors.

(8) There continues to be a great need for bone marrow and organ donors among the African-American, Asian, Native American and Hispanic communities.

(9) Potential living bone marrow and organ donors should be able to perform their lifesaving service without risk of loss of income or employment.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, is amended by adding an article to read:

In the case of a trust or estate with income credited to or distributed to a beneficiary, the credit shall be measured in proportion to the beneficiary's share of income.*

(c) Unused credit.—*Credits not used for the taxable year during which a leave of absence was granted may be carried over for three taxable years. Credits shall not be carried back against preceding taxable years and shall not be refundable.*

(3) An application shall be complete and processible only if it is signed by an authorized representative of the business firm and contains the individual's or entity's name, identifying numbers, address and sufficient proof, which the department may require at its discretion, including written verification by a physician or similar documentation of the length and purpose of the donor's leave and the amount of the employee's compensation and costs associated with temporary replacement help and proof that temporary replacement help is needed because of the donor's leave.

(c) Appeals.—Appeals from determinations made pursuant to this article shall be made through the administrative provisions of this act, applicable to the particular taxes against which the business firm or its members, shareholders or beneficiaries claim such credits.
