

Powers and duties of said department.

Section 2. The department of lands and buildings shall be under the charge of a director who shall be the head thereof. The care, maintenance, repair and alteration, management and supervision, of all city buildings, the supervision of contract work in connection with the construction of all city buildings, the supervision of janitors, watchmen, and elevator service, and the operating maintenance of all city buildings, and the lease, purchase, and sale of real estate of the city, shall be under the jurisdiction of this department.

Transfer of said duties from other departments.

Section 3. All the powers and duties, as set forth in section two hereof, which are now under the jurisdiction of any other department of said city are hereby transferred to the department of lands and buildings, created by this act.

Repeals.

Section 4. All acts and parts of acts inconsistent herewith are hereby repealed.

When effective.

Section 5. This act shall become effective on the first day of January, one thousand nine hundred and thirty-eight.

APPROVED—The 1st day of July, A. D. 1937.

No. 506

### AN ACT

To amend article four of the act, approved the seventh day of March, one thousand nine hundred one (Pamphlet Laws, twenty), entitled "An act for the government of cities of the second class," transferring to the Department of Public Works the powers and duties relative to the removal and disposal of offal, garbage, and swill.

Section 1. Be it enacted, &c., That article four of the act, approved the seventh day of March, one thousand nine hundred one (Pamphlet Laws, twenty), entitled "An act for the government of cities of the second class," is hereby amended to read as follows:

#### ARTICLE IV.

##### Department of Public Works.

Department of Public Works.

Section 1. The Department of Public Works shall be under the charge of one director, who shall be the head thereof.

Jurisdiction of.

Water works, gas works and electric light plants, owned and controlled by the city; the supply and distribution of water and gas; the grading, paving, repairing, cleaning and lighting of streets, alleys and highways; the construction, protection and repair of public

buildings, bridges and structures of every kind for public use, public squares, real estate (except such as now or hereafter may be used for educational or police purposes, fire engine houses, almshouses, hospitals, pest houses and grounds), surveys, engineering, sewerage, drainage and dredging, and all matters and things in any way relating to or affecting the highways, footways, wharves and docks of the city, shall be under the direction, control and administration of the Department of Public Works. All laws relating to parks and condemnation of land for park purposes are to remain in full force.

Laws relating to parks, etc., to remain in force.

*Section 2. All the powers and authority set forth in section twenty of the act, approved the twenty-sixth day of June, one thousand eight hundred ninety-five (Pamphlet Laws, three hundred fifty), conferred upon the Director of the Department of Public Safety relative to entering into contracts for the removal and disposal of all offal, garbage, and swill, and all the duties imposed by said section upon the Bureau of Health and which were later transferred to the Department of Public Health by section four of the act, approved the first day of April, one thousand nine hundred nine (Pamphlet Laws, eighty-three), are hereby transferred and retransferred to, and shall hereafter be exercised by, the Department of Public Works.*

Additional powers transferred to Department of Public Works.

Section 2. This act shall become effective on the first day of January, one thousand nine hundred and thirty-eight.

When effective.

APPROVED—The 1st day of July, A. D. 1937.

### AN ACT

Authorizing and regulating the issuing, by cities of the second class, of non-debt revenue bonds for the construction, or acquisition of waterworks, and for extensions and improvements to waterworks; providing for the redemption of such bonds and the payment of interest thereon from rentals and charges imposed upon consumers; and establishing the rights of bondholders.

Section 1. Be it enacted, &c., That for the purpose of financing the cost and expense of constructing or acquiring any waterworks or constructing extensions to or improving existing waterworks, any city of the second class may issue non-debt revenue bonds secured solely by a pledge in whole or in part of the annual rentals or charges imposed upon consumers of water. Said bonds shall not pledge the credit, not create any debt nor be a

To finance construction or acquisition of waterworks.
