

Instruction upon the enforcement of the provisions for compulsory attendance and the cost thereof, in such detail as said Superintendent of Public Instruction shall request.

Section 2. The provisions of this act shall become effective immediately upon its final enactment. When effective.

APPROVED—The 2d day of July, A. D. 1937.

GEORGE H. EARLE

No. 569

AN ACT

To amend sections one and two of the act, approved the seventh day of August, one thousand nine hundred thirty-six (Pamphlet Laws, one hundred twenty-six), entitled "An act making an appropriation to the Department of Property and Supplies for increasing the capacity of overcrowded State institutions; eliminating fire and other hazards to safety at State institutions; providing for the purchase of safety and other equipment; the erection and construction of new buildings and repairs, alterations, and additions to and replacement of existing buildings and equipment," authorizing the use of said appropriation to remove hazards to health.

Section 1. Be it enacted, &c., That sections one and two of the act, approved the seventh day of August, one thousand nine hundred thirty-six (Pamphlet Laws, one hundred twenty-six), entitled "An act making an appropriation to the Department of Property and Supplies for increasing the capacity of overcrowded State institutions; eliminating fire and other hazards to safety at State institutions; providing for the purchase of safety and other equipment; the erection and construction of new buildings and repairs, alterations, and additions to and replacement of existing buildings and equipment," are hereby amended to read as follows:

Sections 1 and 2, act of August 7, 1936 (P. L. 126), amended.

Section 1. Be it enacted, &c., That the sum of one million two hundred twenty-five thousand dollars (\$1,225,000) is hereby appropriated to the Department of Property and Supplies for the following purposes:—

\$1,225,000 appropriated to Department of Property and Supplies for increasing capacity of State institutions.

For eliminating fire and other hazards to safety and health at State-owned institutions, including repairs, alterations, additions to or replacement of existing buildings, and the purchase of fire or other safety equipment, the sum of five hundred thousand dollars (\$500,000).

For the erection, construction, and equipment of buildings to comprise a farm colony at the Pennsylvania Industrial School at Huntingdon, on lands of said school designated by the Secretary of Welfare, the sum of seventy-five thousand dollars (\$75,000).

For increasing the capacity of State-owned institutions, under the supervision of the Department of Health, by the erection and construction of new buildings, or by repairs, alterations or additions to existing buildings, the sum of one hundred and fifty thousand dollars (\$150,000).

For the erection and construction of new armories and other buildings, and repairs, alterations, additions to and replacement of existing armories and other buildings under the supervision of the Department of Military Affairs, including buildings and utilities at the State Military Reservation, the sum of five hundred thousand dollars (\$500,000).

Section 2. Within the meaning of this act, the erection and construction of, or alterations or additions to, buildings shall include the installation or replacement of fittings and equipment affixed to buildings, and the installation or replacement of heating systems and heating; sewage, and other service lines within the grounds of an institution, *and beyond the said grounds to points where proper connections can be made*, armory or stable for the accommodation of a building or buildings, and the foregoing appropriations be, and the same are hereby, made available for the payment of the cost of necessary plans, specifications, advertising for bids, supervision and architectural and engineering fees required for the purposes of this act.

APPROVED—The 2d day of July, A. D. 1937.

No. 570

AN ACT

To require certain records of oil and gas wells drilled in the Commonwealth showing the location of the same and the geologic formations encountered therein, and to make copies of such records available upon payment of prescribed fees; and providing fees and penalties.

Oil and gas
wells.

Section 1. Be it enacted, &c., That hereafter whenever any oil or gas well is drilled within this Commonwealth to a depth of more than two thousand five hundred feet and more distant than two thousand feet from a well previously recorded and reported to the Department of Internal Affairs, as hereinafter provided, the owner thereof shall send to said department, for the use of the Topographic and Geologic Survey, a type-written or printed, or partially printed and partially written, record showing the name of the owner and of the person who drilled the well, the location of said well
