

issued for the program. A charge of five cents * (.05) per pupil hour of instruction for the district overhead and plant usage. Subtract from the sum so obtained the amount of State appropriation applicable. The remainder shall be designated as the "district cost for vocational or other extension education." Determine the total pupil hours of instruction, divide the "district cost for vocational or other extension education" by the total pupil hours of instruction. The cost so determined shall be the "vocational or other extension tuition charge per pupil hour of instruction."
