

No. 105

AN ACT

SB 843

Validating and confirming certain contracts heretofore entered into by boards of school directors where there is no evidence of fraud or conspiracy and authorizing or ratifying payments on such contracts by the school district.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. When any board of school directors has heretofore contracted for improvement or repair to real estate at a cost of three thousand eight hundred dollars (\$3,800), or less for the school district, the purchase of which by contract is authorized under the provisions of the school laws of the Commonwealth, and the board of school directors has actually received the labor and materials and they are being used by the school district, if the contract does not evidence any fraud or conspiracy to violate the provisions of the school laws of the Commonwealth and the school district has not suffered any pecuniary loss as the result of the contract, then the contract shall be valid and binding on the school district and payment for the labor and materials by the school district is hereby authorized, or if payment has been made, it is hereby ratified, notwithstanding the fact that the contract was legally void by reason of the failure to advertise for bids to comply with, the school laws of this Commonwealth regulating the award of contracts for labor and materials. No board of school directors nor any member thereof shall be surcharged for any payment made on any such contract.

Section 2. This act shall take effect immediately.
