Section 2. Allocation of Funds.—Whenever as determined by The General State Authority the full estimated financial cost of the public improvement projects itemized in section 1 hereof are not necessary for the proper design, acquisition or construction of the projects, the excess funds no longer required may be allocated by The General State Authority to increase the estimated cost of any one or more of the public improvement projects specifically itemized in a capital budget.

Section 3. Debt Authorization.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow, from time to time, in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of nine million six hundred twenty thousand dollars (\$9,620,000) as may be found necessary to carry out the acquisition and construction of the public improvement projects specifically itemized herein.

Section 4. Issue of Bonds.—The indebtedness herein authorized shall be incurred from time to time and shall be evidenced by one or more series of general obligation bonds of the Commonwealth in such aggregate principal amount for each series as the Governor, Auditor General and State Treasurer shall determine, but the latest stated maturity date shall not exceed thirty years from the date of the bond first issued for each such series.

Section 5. Estimated Useful Life of Projects.—The General Assembly states the estimated useful life of the public improvement projects heretofore itemized is not less than thirty years from the date of completion thereof, which period is hereby stated to be the term of the debt to be incurred.

Section 6. Appropriation.—The net proceeds of the sale of the obligations herein authorized are hereby appropriated from the Capital Facilities Fund to The General State Authority in the maximum amount of nine million six hundred twenty thousand dollars

(\$9,620,000) to be used by it exclusively to defray the financial cost of the public improvement projects specifically itemized herein. After reserving or paying the expenses of the sale of the obligation, the State Treasurer shall pay out to The General State Authority the moneys as required and certified by it to be legally due and payable.

Section 7. Effective Date.—This act shall take effect immediately.

APPROVED—The 30th day of December, A. D. 1974.
