(i) High-density redevelopment at new and existing transit stops along proposed Bus Rapid Transit Route and Lightrail and Busway stops in City of Pittsburgh	
Project Allocation	20,000,000
(Base Project Allocation - \$20,000,000)	
(ii) Acquisition, construction, infrastructure, redevelopment and other related costs for multimodal public transportation facility	
Project Allocation	5,000,000
(Base Project Allocation - \$5,000,000)	
(2) Armstrong Area ¹ Transportation Authority	
(i) Provide for facility and facility upgrades, including mobility management center, terminals, fuel storage, parking lots, fueling depots, roof replacement and miscellaneous equipment	
Project Allocation	2,253,000
(Base Project Allocation - \$2,028,000)	
(Design & Contingencies - \$225,000)	
(ii) Upgrade and renovate DuBois facility to bring to state of good repair	
Project Allocation	959,000
(Base Project Allocation - \$863,000)	
(Design & Contingencies - \$96,000)	
(iii) Construct terminals	
Project Allocation	1,162,000
(Base Project Allocation - \$1,162,000)	
(iv) Mobility Management Center, to match discretionary Federal capital funding to rehabilitate infrastructure throughout system	
Project Allocation	1,066,000
(Base Project Allocation - \$959,000)	
(Design & Contingencies - \$107,000)	
(v) Bus Purchase Program, provide for replacement of buses that have exceeded their useful life	
Project Allocation	2,464,000
(Base Project Allocation - \$2,218,000)	
(Design & Contingencies - \$246,000)	
(2.1) Beaver County Transit Authority	
(i) Construction, infrastructure and other related costs for natural gas fueling station in Center Township	
Project Allocation	2,000,000

¹"(2) Area" in enrolled bill.

(Base Project Allocation - \$2,000,000)

(3) Butler Transit Authority

- (i) Expand Cranberry Area Park and Ride Facility on Route 528 near I-79, Butler County, including property acquisition and construction

Project Allocation

450,000

(Base Project Allocation - \$405,000)

(Design & Contingencies - \$45,000)

- (ii) Provide for infrastructure improvements, facility upgrades for bus storage and maintenance areas, construction of public waiting area, training room, park and ride facility and compressed natural gas (CNG) refueling station and purchase of four 45-foot Coach CNG buses

Project Allocation

1,700,000

(Base Project Allocation - \$1,700,000)

(4) Cambria County Transit Authority

- (i) Replace transit facility in Johnstown to meet current standards and requirements

Project Allocation

2,419,000

(Base Project Allocation - \$2,177,000)

(Design & Contingencies - \$242,000)

- (ii) Construct transit facility

Project Allocation

3,871,000

(Base Project Allocation - \$3,871,000)

- (iii) Construction and infrastructure improvements for new facility and bus replacement projects for Camtran

Project Allocation

7,000,000

(Base Project Allocation - \$7,000,000)

- (iv) Replace track ties and other improvements

Project Allocation

271,000

(Base Project Allocation - \$244,000)

(Design & Contingencies - \$27,000)

- (v) Replace fare collection system

Project Allocation

78,000

(Base Project Allocation - \$70,000)

(Design & Contingencies - \$8,000)

(5) Capital Area Transit (CAT) Authority

- (i) Replace CAT's transit facility to meet modern requirements

Project Allocation

47,742,000

(Base Project Allocation - \$42,968,000)

(Design & Contingencies - \$4,774,000)

- (ii) Upgrade transportation technology for vehicle monitoring and real-time information for CAT's transit operations

Project Allocation

1,935,000

(Base Project Allocation - \$1,742,000)

	(Design & Contingencies - \$193,000)	
(6)	Centre Area Transportation Authority (CATA)	
	(i) Expand CATA's maintenance and bus storage areas	
	Project Allocation	968,000
	(Base Project Allocation - \$871,000)	
	(Design & Contingencies - \$97,000)	
	(ii) Acquisition of replacement buses	
	Project Allocation	1,600,000
	(Base Project Allocation - \$1,600,000)	
	(iii) Rehabilitate or replace various facilities and infrastructure	
	Project Allocation	30,000,000
	(Base Project Allocation - \$24,000,000)	
	(Design & Contingencies - \$6,000,000)	
	(iv) Acquisition of compressed natural gas (CNG) buses	
	Project Allocation	5,700,000
	(Base Project Allocation - \$5,700,000)	
(6.1)	Chester County	
	(i) Acquisition, construction and related costs of Darby Road extension and Paoli Transit Center projects in Tredyffrin Township	
	Project Allocation	30,000,000
	(Base Project Allocation - \$30,000,000)	
(7)	County of Lackawanna Transit System	
	(i) Acquisition, construction, infrastructure and other costs related to compressed natural gas fueling station and maintenance facility	
	Project Allocation	6,000,000
	(Base Project Allocation - \$6,000,000)	
	(ii) Acquisition, construction, infrastructure and other costs related to intermodal transportation center	
	Project Allocation	1,000,000
	(Base Project Allocation - \$1,000,000)	
(8)	Crawford Area Transportation Authority	
	(i) Construct steel structure sheltered bus storage facility and wash bay for bus fleet	
	Project Allocation	387,000
	(Base Project Allocation - \$348,000)	
	(Design & Contingencies - \$39,000)	
(9)	Erie Metropolitan Transit Authority	
	(i) Construct new operations facility, including infrastructure	
	Project Allocation	1,796,000
	(Base Project Allocation - \$1,616,000)	
	(Design & Contingencies - \$180,000)	
(9.1)	Lebanon Transit	
	(i) Rehabilitate building and grounds, including	

maintenance garage roof	
Project Allocation	406,000
(Base Project Allocation - \$365,000)	
(Design & Contingencies - \$41,000)	
(10) Lehigh and Northampton Transportation Authority	
(i) Construct new operations facility, including infrastructure at Allentown operating facility	
Project Allocation	2,517,000
(Base Project Allocation - \$2,265,000)	
(Design & Contingencies - \$252,000)	
(ii) Transit vehicle purchase, provide funding for purchase of transit buses	
Project Allocation	1,646,000
(Base Project Allocation - \$1,481,000)	
(Design & Contingencies - \$165,000)	
(10.1) Lycoming County	
(i) Construction, infrastructure and other related costs for replacing existing cast in place culvert which carries Lawshee Run under several borough streets and sidewalks, including repairs to streets and replacement of sidewalks in Jersey Shore Borough	
Project Allocation	2,800,000
(Base Project Allocation - \$2,800,000)	
(11) Mid-County Transit Authority	
(i) Construct bus storage facility	
Project Allocation	215,000
(Base Project Allocation - \$215,000)	
(12) Mid Mon Valley Transit Authority	
(i) Rehabilitate bus storage, Phase II, including construction to rehabilitate existing bus storage, administration and passenger areas at Donora transit facility	
Project Allocation	1,160,000
(Base Project Allocation - \$1,044,000)	
(Design & Contingencies - \$116,000)	
(ii) Construct Donora Phase II project	
Project Allocation	965,000
(Base Project Allocation - \$965,000)	
(iii) Replace revenue rolling stock that has outlived its useful life as part of Phase II of rehabilitation of Donora transit facility	
Project Allocation	364,000
(Base Project Allocation - \$328,000)	
(Design & Contingencies - \$36,000)	
(13) Monroe County Transit Authority	
(i) Construct new bus storage facility and staging area	
Project Allocation	968,000
(Base Project Allocation - \$871,000)	

(Design & Contingencies - \$97,000)

(14) Montgomery County

- (i) Construction, infrastructure improvements and other costs related to expansion of Ardmore Train Station transit and parking improvements project
 Project Allocation 10,000,000
 (Base Project Allocation - \$10,000,000)

(14.1) Northampton County

- (i) Installation of traffic light at intersection of Polk Valley Road and Route 412 in Lower Saucon Township
 Project Allocation 450,000
 (Base Project Allocation - \$450,000)

(15) Philadelphia County

- (i) Infrastructure improvements, including equipment upgrades for Phlash Trolley fleet
 Project Allocation 235,000
 (Base Project Allocation - \$235,000)

(16) Port Authority of Allegheny County (PAAC)

- (i) FY 2011-2012 Section 5307 Program, replacement and rehabilitation of major components of bus and fixed guideway system
 Project Allocation 7,341,000
 (Base Project Allocation - \$6,607,000)
 (Design & Contingencies - \$734,000)
- (ii) FY 2011-2012 Section 5309 Program, replacement and rehabilitation of major components within Port Authority's rail and busway system, including North Shore Connector project
 Project Allocation 6,000,000
 (Base Project Allocation - \$5,400,000)
 (Design & Contingencies - \$600,000)
- (iii) FY 2011-2012 Section 5307 Flex Program, to provide funding of replacement buses and standardize bus procurement program
 Project Allocation 1,493,000
 (Base Project Allocation - \$1,344,000)
 (Design & Contingencies - \$149,000)
- (iv) FY 2011-2012 Section 5309 Bus and Bus Facilities Program, utilization of bus and bus facilities earmarks to perform various bus upgrades and facility improvements
 Project Allocation 1,161,000
 (Base Project Allocation - \$1,045,000)
 (Design & Contingencies - \$116,000)
- (v) Infrastructure Safety Renewal Program, to restore PAAC's transit and railroad infrastructure, including maintenance support facilities
 Project Allocation 16,000,000

	(Base Project Allocation - \$14,400,000)	
	(Design & Contingencies - \$1,600,000)	
(vi)	Vehicle Overhaul Program	
	Project Allocation	7,419,000
	(Base Project Allocation - \$6,678,000)	
	(Design & Contingencies - \$741,000)	
(vii)	FY 2011-2012 Section 5307 Program, for replacement and rehabilitation of major components of bus and fixed guideway system	
	Project Allocation	13,706,000
	(Base Project Allocation - \$12,335,000)	
	(Design & Contingencies - \$1,371,000)	
(viii)	FY 2011-2012 Section 5309 Program, for replacement and rehabilitation of major components within Port Authority's rail and busway system to ensure safety and reliability, including North Shore Connector project	
	Project Allocation	11,756,000
	(Base Project Allocation - \$10,580,000)	
	(Design & Contingencies - \$1,176,000)	
(ix)	FY 2011-2012 Section 5307 Flex Program, to provide funding for match of Federal and local funding	
	Project Allocation	1,493,000
	(Base Project Allocation - \$1,344,000)	
	(Design & Contingencies - \$149,000)	
(x)	FY 2011-2012 Section 5309 Bus and Bus Facilities Program, to provide for utilization of bus and bus facilities earmarks to perform various bus upgrades and facility improvements	
	Project Allocation	1,403,000
	(Base Project Allocation - \$1,263,000)	
	(Design & Contingencies - \$140,000)	
(xi)	Infrastructure Safety Renewal Program, to provide funding to restore PAAC's transit and railroad infrastructure, including maintenance support facilities	
	Project Allocation	45,484,000
	(Base Project Allocation - \$41,000,000)	
	(Design & Contingencies - \$4,484,000)	
(xii)	Vehicle Overhaul Program, to provide for PAAC's major overhaul of rolling stock	
	Project Allocation	5,000,000
	(Base Project Allocation - \$4,500,000)	
	(Design & Contingencies - \$500,000)	
(xiii)	Section 5307 Program, to match discretionary Federal capital and local funding for replacement of major components of bus and fixed guideway systems	

Project Allocation	4,723,000
(Base Project Allocation - \$4,251,000)	
(Design & Contingencies - \$472,000)	
(xiv) Section 5309 Program, to match Federal capital funds to replace buses and rehabilitate various facilities and infrastructure	
Project Allocation	678,000
(Base Project Allocation - \$610,000)	
(Design & Contingencies - \$68,000)	
(xv) Section 5307 Program, to match discretionary Federal capital funding to purchase 70 replacement buses annually	
Project Allocation	1,493,000
(Base Project Allocation - \$1,344,000)	
(Design & Contingencies - \$149,000)	
(xvi) Federal Grant Program, to match discretionary Federal capital and local funding to rehabilitate or replace existing facilities and infrastructure	
Project Allocation	5,601,000
(Base Project Allocation - \$5,041,000)	
(Design & Contingencies - \$560,000)	
(16.1) Red Rose Transit Authority	
(i) Purchase buses, to provide for replacement of buses	
Project Allocation	1,887,000
(Base Project Allocation - \$1,698,000)	
(Design & Contingencies - \$189,000)	
(17) River Valley Transit	
(i) Expand Trade and Transit Center and Church Street Transportation Intermodal Center	
Project Allocation	1,161,000
(Base Project Allocation - \$1,045,000)	
(Design & Contingencies - \$116,000)	
(ii) Expand Trade and Transit Center	
Project Allocation	1,459,000
(Base Project Allocation - \$1,313,000)	
(Design & Contingencies - \$146,000)	
(iii) Construct compressed natural gas fueling station and purchase four CNG transit vehicles	
Project Allocation	1,042,000
(Base Project Allocation - \$937,800)	
(Design & Contingencies - \$104,200)	
(18) Southeastern Pennsylvania Transportation Authority (SEPTA)	
(i) FFY 2012 Section 5307 Formula Program of Prospects, including state of good repair, vehicle overhaul, regional rail signal mechanization, system improvements, bus purchase and paratransit vehicle purchase programs	

	Project Allocation	23,831,000
	(Base Project Allocation - \$21,448,000)	
	(Design & Contingencies - \$2,383,000)	
(ii)	FFY 2012 Section 5309 Rail Modernization Program, including state of good repair, vehicle overhaul, regional rail signal mechanization, system improvements, transit and regional rail station and station accessibility programs	
	Project Allocation	24,170,000
	(Base Project Allocation - \$21,753,000)	
	(Design & Contingencies - \$2,417,000)	
(iii)	FFY 2012 Bus Purchase Program, including acquisition and replacement of buses	
	Project Allocation	4,133,000
	(Base Project Allocation - \$3,720,000)	
	(Design & Contingencies - \$413,000)	
(iv)	FFY 2012 Federal Highway Flex Program, including funds for SEPTA's railroad/highway grade crossings and for CMAQ projects that help meet requirements of the Clean Air Act	
	Project Allocation	774,000
	(Base Project Allocation - \$697,000)	
	(Design & Contingencies - \$77,000)	
(v)	Federal Competitive Grant Program, to provide for State funds to match Federal capital funding awarded through competitive grant programs	
	Project Allocation	15,839,000
	(Base Project Allocation - \$14,255,000)	
	(Design & Contingencies - \$1,584,000)	
(vi)	FY 2012-2013 State of Good Repair Program, to bring transit and railroad facilities to a state of good repair, including communications, track right-of-way, station facilities, environmental concerns and bridges	
	Project Allocation	24,174,000
	(Base Project Allocation - \$21,755,000)	
	(Design & Contingencies - \$2,419,000)	
(vii)	Infrastructure Safety Renewal Program, to restore SEPTA's transit and railroad infrastructure, including maintenance support facilities	
	Project Allocation	31,936,000
	(Base Project Allocation - \$28,742,000)	
	(Design & Contingencies - \$3,194,000)	
(viii)	FY 2011-2012 Vehicle Overhaul Program	
	Project Allocation	53,226,000
	(Base Project Allocation - \$47,903,000)	
	(Design & Contingencies - \$5,323,000)	
(ix)	FFY 2013 Formula Program of Projects, to provide for SEPTA's State funds to match Federal	

capital funding to replace buses and rehabilitate various facilities and infrastructure to bring to state of good repair	
Project Allocation	23,226,000
(Base Project Allocation - \$20,903,000)	
(Design & Contingencies - \$2,323,000)	
(x) FFY 2013 Rail Modernization Program, to provide for SEPTA's state of good repair program, vehicle overhaul program, regional rail signal mechanization, system improvements program, transit and regional rail station program and station accessibility program	
Project Allocation	23,226,000
(Base Project Allocation - \$20,903,000)	
(Design & Contingencies - \$2,323,000)	
(xi) FFY 2013 Bus Purchase Program, to provide for acquisition and replacement of buses for SEPTA services	
Project Allocation	4,133,000
(Base Project Allocation - \$3,720,000)	
(Design & Contingencies - \$413,000)	
(xii) Federal Competitive Grant Program, to provide for State funds to match Federal capital funding awarded through competitive grant programs by improving air quality and removing congestion	
Project Allocation	17,420,000
(Base Project Allocation - \$15,678,000)	
(Design & Contingencies - \$1,742,000)	
(xiii) Federal Competitive Clean Fuel Program, to provide for State funds to match discretionary Federal capital funding to replace existing vehicles with clean fuel vehicles to bring to state of good repair	
Project Allocation	1,452,000
(Base Project Allocation - \$1,307,000)	
(Design & Contingencies - \$145,000)	
(xiv) FY 2013-2014 Safety Renewal Program, to provide funds to rehabilitate or replace existing facilities and infrastructure to bring to state of good repair	
Project Allocation	33,872,000
(Base Project Allocation - \$30,485,000)	
(Design & Contingencies - \$3,387,000)	
(xv) FY 2013-2014 State of Good Repair Program, to provide funds to rehabilitate or replace existing facilities and infrastructure to bring to state of good repair	
Project Allocation	19,356,000
(Base Project Allocation - \$17,420,000)	

- (Design & Contingencies - \$1,936,000)
- (xvi) Vehicle Overhaul Program, to provide for SEPTA's 2013-2014 Vehicle Overhaul Program which provides for major overhaul of rolling stock
Project Allocation 53,227,000
(Base Project Allocation - \$47,904,000)
(Design & Contingencies - \$5,323,000)
- (xvii) FY 2012-2013 State of Good Repair Program, to provide funds to rehabilitate or replace existing facilities and infrastructure to bring to state of good repair
Project Allocation 24,194,000
(Base Project Allocation - \$21,775,000)
(Design & Contingencies - \$2,419,000)
- (xviii) Infrastructure Safety Renewal Program, to provide for restoration of SEPTA's transit and railroad infrastructure, including maintenance support facilities
Project Allocation 31,936,000
(Base Project Allocation - \$28,742,000)
(Design & Contingencies - \$3,194,000)
- (xix) Vehicle Overhaul Program, to provide for SEPTA's 2012-2013 Vehicle Overhaul Program which provides for major overhaul of rolling stock
Project Allocation 53,227,000
(Base Project Allocation - \$47,904,000)
(Design & Contingencies - \$5,323,000)
- (xx) FY 2012-2013 Infrastructure Safety Renewal Program, to provide for restoration of SEPTA's transit and railroad infrastructure, including maintenance support facilities
Project Allocation 31,936,000
(Base Project Allocation - \$28,742,000)
(Design & Contingencies - \$3,194,000)
- (xxi) Commuter rail expansion project, Phase 1 - Elwyn to Wawa
Project Allocation 16,500,000
(Base Project Allocation - \$15,000,000)
(Design & Contingencies - \$1,500,000)
- (xxii) Commuter rail expansion project, Phase 2 - Wawa to West Chester
Project Allocation 16,500,000
(Base Project Allocation - \$15,000,000)
(Design & Contingencies - \$1,500,000)
- (xxiii) Urbanized Area of Formula Program, to match Federal capital funding and to replace buses and rehabilitate various facilities and infrastructure
Project Allocation 47,614,000
(Base Project Allocation - \$42,853,000)

	(Design & Contingencies - \$4,761,000)	
(xxiv)	State of Good Repair Program, to provide for the State of Good Repair Program and Facilities Overhaul Program and to rehabilitate or replace various facilities and infrastructure	
	Project Allocation	51,098,000
	(Base Project Allocation - \$45,988,000)	
	(Design & Contingencies - \$5,110,000)	
(xxv)	Bus and Bus Facilities Program, to match Federal capital funding and replace buses and rehabilitate various facilities and infrastructure	
	Project Allocation	3,484,000
	(Base Project Allocation - \$3,136,000)	
	(Design & Contingencies - \$348,000)	
(xxvi)	Bus Purchase Flex Program, to match Federal funds to replace buses and rehabilitate various facilities and infrastructure	
	Project Allocation	8,267,000
	(Base Project Allocation - \$7,440,000)	
	(Design & Contingencies - \$827,000)	
(xxvii)	Federal Grant Program, to match discretionary Federal capital funding to rehabilitate or replace existing facilities and infrastructure	
	Project Allocation	1,452,000
	(Base Project Allocation - \$1,307,000)	
	(Design & Contingencies - \$145,000)	
(xxviii)	Infrastructure Safety Renewal Program, to provide for transit and railroad infrastructure, including maintenance support facilities	
	Project Allocation	67,744,000
	(Base Project Allocation - \$60,970,000)	
	(Design & Contingencies - \$6,774,000)	
(xxix)	Fiscal year 2014-2015 State of Good Repair Program, to provide for the State of Good Repair Program and Facilities Overhaul Program and to rehabilitate or replace various facilities and infrastructure	
	Project Allocation	19,356,000
	(Base Project Allocation - \$17,420,000)	
	(Design & Contingencies - \$1,936,000)	
(xxx)	Vehicle Overhaul Program, to provide for fiscal year 2013-2014 Vehicle Overhaul Program	
	Project Allocation	53,266,000
	(Base Project Allocation - \$47,903,000)	
	(Design & Contingencies - \$5,323,000)	
(xxx)	Federal Grant Program, provide State funds to match discretionary Federal capital funding to rehabilitate or replace existing assets	
	Project Allocation	4,839,000

	(Base Project Allocation - \$4,355,000)	
	(Design & Contingencies - \$484,000)	
(19)	Department of Transportation	
	(i) Vehicle and Capital Equipment Program, to provide funding match for non-Federal projects for purchase of transit vehicles and other capital equipment and infrastructure	
	Project Allocation	50,000,000
	(Base Project Allocation - \$45,000,000)	
	(Design & Contingencies - \$5,000,000)	
	(ii) Provide funding for capital improvements and capital maintenance to Keystone Corridor, including interlockings and stations	
	Project Allocation	15,000,000
	(Base Project Allocation - \$13,500,000)	
	(Design & Contingencies - \$1,500,000)	
	(iii) Vehicle and Capital Equipment Program, to provide funding match for Federal projects for purchase of transit vehicles and other capital equipment and infrastructure	
	Project Allocation	50,000,000
	(Base Project Allocation - \$45,000,000)	
	(Design & Contingencies - \$5,000,000)	
	(iv) Alternative Fuel Vehicles Program, provide for CNG, equipment and infrastructure to support alternate fuel vehicles for various transit authorities across this Commonwealth	
	Project Allocation	50,000,000
	(Base Project Allocation - \$50,000,000)	
(19.1)	Washington City Transit	
	(i) Improve transit facilities, to provide for purchase of passenger amenities	
	Project Allocation	58,000
	(Base Project Allocation - \$52,000)	
	(Design & Contingencies - \$6,000)	
	(ii) Purchase equipment, to provide for purchase of new equipment for additional transit staff	
	Project Allocation	24,000
	(Base Project Allocation - \$22,000)	
	(Design & Contingencies - \$2,000)	
(20)	York County Transportation Authority	
	(i) Renovate transit operations center/maintenance facility	
	Project Allocation	8,710,000
	(Base Project Allocation - \$7,839,000)	
	(Design & Contingencies - \$871,000)	
	(ii) Purchase buses, to provide for replacement of fixed-route vehicles	
	Project Allocation	1,348,000

(Base Project Allocation - \$1,213,000)

(Design & Contingencies - \$135,000)

(b) Rural and intercity rail.—Additional capital projects in the category of transportation assistance projects for rural and intercity rail service projects to be constructed or with respect to which an interest is to be acquired by the Department of Transportation, its successors or assigns and to be financed by the incurring of debt are hereby itemized, together with their respective estimated financial costs, as follows:

	Total Project Allocation
(1) Allegheny County	
(i) City of Pittsburgh	
(A) High-density redevelopment at new and existing transit stops along proposed Bus Rapid Transit Route and Lightrail and Busway stops in City of Pittsburgh	
Project Allocation	20,000,000
(Base Project Allocation - \$20,000,000)	
(ii) Three Rivers Marine & Rail Terminals	
(A) Rail rehabilitation, including track infrastructure improvements, upgrade ballast, ties and surface and align tracks for Glassport Terminal rail expansion project	
Project Allocation	1,500,000
(Base Project Allocation - \$1,500,000)

Section 16. Provisions relating to highway bridge projects.

(a) Limitation on expenditure of funds.—The following shall apply to itemizations under section 15:

(1) Any moneys derived from the incurring of debt shall be used solely for effecting the rehabilitation, replacement or removal of bridges located on State highways. All other bridge rehabilitation, replacement or removal shall be financed from current revenue.

(2) Notwithstanding any law to the contrary, the projects itemized in the act of December 8, 1982 (P.L.848, No.235), known as the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983, may be financed from current revenue.

(b) Allocation of funds.—As follows:

(1) Whenever the Department of Transportation determines that the full estimated financial costs of the projects itemized in section 15 are not necessary for the proper design, acquisition or construction of such projects, the excess funds no longer required may be allocated by the Department of Transportation to increase the estimated costs of any one or more of the projects specifically itemized in a capital budget.

(2) Moneys raised or expended by municipalities after the effective date of this act, in anticipation of receipt of funds authorized for projects itemized by this act, may be reimbursable to those municipalities.

(c) Policy on jobs and materials.—As follows:

(1) It is the declared policy of the Commonwealth that the construction projects authorized in section 15 be used, to the greatest extent possible, to provide for the creation of jobs and the rehiring of the unemployed in this Commonwealth. In order to reach this goal, firms with Commonwealth-based facilities shall be actively solicited to make bids on contracts to furnish products and materials, including, but not limited to, steel and steel products, to be used in these projects.

(2) Every contract document entered into to undertake a project contained in section 15 shall provide that any steel or other products to be used or supplied in the performance of this contract shall be required to be manufactured by plants in the United States unless the secretary determines, on a contract-by-contract basis, that certain required products are not produced in the United States in sufficient quantities to meet the requirements of the contract. Such a determination and the reasons for the determination shall be published in the Pennsylvania Bulletin. Decisions made under this subsection shall not be inconsistent with the general provisions of the act of March 3, 1978 (P.L.6, No.3), known as the Steel Products Procurement Act.

(3) Minorities and women.—It is also the declared policy of the Commonwealth to require and encourage substantial participation by minorities and women in the construction projects authorized in section 15.

(d) Payment of capital debt service.—The repayment of any debt incurred pursuant to section 15 shall be made from the Highway Bridge Improvement Restricted Account, and such repayment shall have first claim on the revenues of the account.

(e) Authorization and debt cumulation.—The additional authorization and debt allowance provided for in section 15 shall be added to the total authorizations and debt incurred pursuant to the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983, as amended and supplemented. Section 15 shall be construed as a supplement to the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983. Section 17. Debt authorization.

(a) Public improvements.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$4,664,749,000 as may be found necessary to carry out the acquisition and construction of the public improvement projects specifically itemized in a capital budget.

(b) Furniture and equipment.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$165,120,000 as

may be found necessary to carry out the acquisition and construction of the public improvement projects consisting of the acquisition of original movable furniture and equipment specifically itemized in a capital budget.

(c) Transportation assistance.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$1,939,709,000 as may be found necessary to carry out the acquisition and construction of the transportation assistance projects specifically itemized in a capital budget.

(d) Redevelopment assistance.—Subject to the limitation in section 317(b) of the act of February 9, 1999 (P.L.1, No.1), known as the Capital Facilities Debt Enabling Act, the Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$6,744,668,000 as may be found necessary to carry out the redevelopment assistance capital projects specifically itemized in a capital budget.

(b) Projects not requiring itemization.—Department of Military and Veterans Affairs construction projects which are totally federally funded but which are to be administered by the Department of General Services are hereby authorized.

Section 22. Delegation.

For the public improvement projects specifically itemized in section 3(b)(2), the Department of General Services may delegate the authority to construct, improve, equip, furnish, maintain, acquire or operate such projects to the Philadelphia Regional Port Authority. Notwithstanding any provision of law to the contrary, the Philadelphia Regional Port Authority, at its discretion and subsequent to the aforementioned delegation, may contract with one or more of the tenant companies leasing or operating port facilities at the Port of Philadelphia for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring or operating the public improvement projects specifically itemized in section 3(b)(2). Any project itemized in section 3(b)(2) delegated to the Philadelphia Regional Port Authority for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring or operating the project shall be exempt from the section 1 first paragraph of the act of May 1, 1913 (P.L.155, No.104), referred to as the Separations Act, and the provisions of the act of March 3,

1978 (P.L.6, No.3), known as the Steel Products Procurement Act, and any provisions of the law requiring the bidding of projects.

Section 23. Editorial changes.

In editing and preparing this act for printing following the final enactment, the Legislative Reference Bureau shall insert or revise letters or numbers for projects where the letters or numbers are missing or require revision. The bureau shall also revise the total monetary amounts for the total authorization, debt authorization, appropriations and departmental totals as necessary to agree with the total monetary amounts of the projects.

Section 24. Effective date.

This act shall take effect immediately.
